Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Office Action of March 8, 2005 ("Office Action"). This amendment and response are presented in accordance with the provisions of 37 C.F.R. § 1.111. A supplemental IDS is filed concurrently herewith, which IDS lists additional correspondence received from SSL Americas, Inc. and SSL International, plc, ("SSL") as represented by Peter C. Schechter, Esq. of the Law Firm of Darby & Darby.

Claims 1-10, 12-17 and 19-20 are presently pending. Claims 1 and 4-7 are rejected as being anticipated by Applicant provided prior art (Ti amo); and claims 2-3, 8-9, 10-17 and 19-20 are rejected as obvious over Applicant provided prior art (Ti amo). It is noted that claim 11 was previously cancelled by amendment filed on June 3, 2004. Accordingly, the obviousness rejection addresses claims 2-3, 8-10, 12-17 and 19-20. The approval of the examiner of this change is respectfully requested.

The listing of claims are set forth on page 2. Remarks begin on page 7.
